I WANT TO JOIN A PROJECT⁴

What would you like to do? Cleanup _____ Graffiti Paint Out _____ Planting _____ Storm Drain Stenciling _____ Habitat Improvement _____

Other (please describe) _____

¹Can include litter pickups, illegal dumping removal, cutting back or removing overgrown plants or just "tidying up" a space

²Spring Clean encourages the use of Northwest native and drought tolerant plants!

³This time of year, "Habitat Improvement" is mostly limited to invasive weed removal. For more information on improving habitat in our watersheds, please call the Creek Stewardship Program at 684-4163.

⁴ Our Spring Clean Coordinator will try to set you up with a project already planned in your neighborhood or suggest one for you. We may also send your contact info to another city department, such as Parks and Recreation, looking for volunteers!
